What is Quality Improvement?

Quality Improvement can be a simple process that helps us to make changes that will lead to improved care for the people who use our services. We want to equip you with the tools and methods to make changes and to try out and test new approaches, that will improve care and last into the future.

Mersey Care
NHS Foundation Trust

Community and Mental Health Services

The Bite Size QI Workshop

A perfect Bite size introduction to Quality Improvement - open to all Staff. Come and join us for a stimulating one day session to help open your mind on what QI is and how you can make it work for you and your team.

Quality Improvement Coaches

You're not alone! Following the Bite size QI workshop you will have access to a team of Quality Improvement coaches to support you moving forward and help you identify opportunities and overcome any potential barriers.
